### Notes:

Before Weights and Measures started the inspection, Management stated that they have had issues with their printer this morning and may have a few signs missing because of this.

The Staples Mechanical Pencil 12 pack was marked for \$1.79 but rang up for \$0.50. It appears the sale sign was missing but it was correctly advertised in the weekly ad.

The Casio FX-9750GH-PK calculator was marked for \$49.99 but rang up for \$44.99. It appears the sale sign had fallen off.

These issues were corrected while Weights and Measures was present.
